

We are delighted to welcome you back, we can't tell you how much we've missed you! It would be a stretch to describe the situation as normal and we're sure you'll appreciate that there are a few rules that we are required to follow to ensure that both you and our team are as safe as possible.

- Dining is outside only, whatever the weather. The only reason you may come inside is to use the toilet and you must wear a face mask when you do.
- Maximum of 6 people or 2 households per party.
- You must sign in using either the NHS app or on our physical sign in sheet. Regrettably, we are required to refuse service if this is not done.
- We are required to exclusively offer table service. You don't have to order food to have a drink but you must remain seated apart from going to the bathroom.
- During this period of outside only trading, the smoking area will be in the rear car park. Please do not smoke at the front of the building, yes it's outside, but not everyone appreciates your smoke!

Thank you for your cooperation, it will help us to provide the best possible experience for everyone.

# The Fox & Hounds
